What to Expect

Caregivers participate in a two-hour **Smarter Parents** workshop led by Prevention Educators from Mission Kids.

In a separate area, kids take part in interactive, age-appropriate safety education lessons and other supervised, kid-friendly activities!

PARENTS + CAREGIVERS

Smarter Parents Workshop

- Learn practical language for discussing boundaries and consent
- Receive expert guidance for digital safety in everyday life
- Develop strategies to help kids recognize risk and ask for help

KIDS AGES 4-14

Age-Appropriate Safety Skills

- Understand body autonomy and personal safety
- Recognize unsafe or uncomfortable behavior
- Identify trusted adults for help
- Learn digital safety basics
- Enjoy kid-friendly activities following lessons!
